SUBJECT: Installation Food Services Policy Memorandum No. 47 – Philip A. Connelly

Competition will be conducted while in the field. Preparation and serving of food to supported personnel will be accomplished using TOE equipment only. All food preparation and clean-up operations must be accomplished at the field location.

b. Nomination of command finalists and packet submissions are very important aspects of the Connelly Program. Finalist nominations and packets for Active Army must be sent to IMCOM Southeast NLT 15 May.

6. Packets will contain the guidelines and information as outlined in AR 30-22.

a. Complete unit designation, location, including TOE or TDA number, and complete mailing address with zip code.

b. Category of competition.

c. Authorized and assigned Food Service personnel strength to include dining facility attendants. An accurate headcount of all personnel (food service support, chain of command, etc.) is needed for certificates issued during evaluation.

d. Photographic coverage/requirements: It is imperative for both Garrison and field nominees to send two 5x7 color photos of Food Service Officer (FSO), along with name, rank, SSN, and biography.

e. Brief historical summary of unit and mission.

f. Include the name, rank, and length of assignment of all military personnel, and DEROS. Include any food service completed courses and related training.

g. POC information, phone contacts, FAX numbers, unit mailing address and e-mail.

h. Proposed primary date and alternate date for IMCOM-Southeast evaluation. Note: These dates will be considered; however, if schedule cannot permit these periods of evaluation, then units will be contacted about alternate dates.
